40 HOUR CELTO CERTIFICATE

INTESOL Worldwide has been training teachers of ESOL for more than 25 years and is well known and respected in the TESOL industry. This means your TESOL certification will be instantly recognised internationally as being of excellent quality.

Course structure and aims

<i>Course and unit titles</i>	<i>Aims for trainees</i>
Unit 1 - Introduction to Teaching Online	<ul style="list-style-type: none">• learn about the benefits of teaching online• consider the qualities that a successful online teacher should possess• reflect on the role of a teacher in the modern learning environment
Unit 2 - Bringing About Success	<ul style="list-style-type: none">• learn how to stimulate students to produce language• learn how to teach and not to lecture• learn how to minimise silence and improve students' fluency
Unit 3 - The Basic Principles of All TEFL/TESOL	<ul style="list-style-type: none">• gain a basic understanding of the principles of good ESOL teaching• reflect on the importance of a caring environment in the classroom• become familiar with principles and techniques of communicative teaching
Unit 4 - Teaching Grammar	<ul style="list-style-type: none">• understand how Communicative Methodology can make the study of grammar exciting• understand how students' native language may interfere with their learning of English grammar• learn the difference between teaching grammar deductively and inductively• read a step-by-step guide for preparing a good grammar lesson
Unit 5 - Teaching Pronunciation	<ul style="list-style-type: none">• understand the reasons why students mispronounce English words• learn how to diagnose pronunciation problems by considering students' L1• become familiar with the International Phonetic Alphabet• consider some common pronunciation problems• learn two specific techniques of teaching pronunciation

Unit 6 - Planning Your Teaching	<ul style="list-style-type: none"> • learn about the benefits of preparing a solid lesson plan and risks of not preparing one • review the process of lesson planning, from setting the aims to self-evaluation • learn how to structure a lesson according to the Presentation-Practice-Production model
Unit 7: Finding and Keeping your Students	<ul style="list-style-type: none"> • First decision: How will you work? • Build a comprehensive client base • Don't be afraid of networking • Consider how you'll demand a good rate • Choose your platform and technology
Unit 8 - Practice, Production and Progress	<ul style="list-style-type: none"> • reflect on ways to cultivate a conducive student 'lifestyle' • consider ways to overcome the constraints of learning English in a different language environment • learn about some tactics of organising group lessons • look at production as a way to measure student progress
Unit 9 - Designing Materials and Courses	<ul style="list-style-type: none"> • understand why it is helpful to design a long-term plan for your online course • practice planning a course • find the links to some useful sources of materials for your course • learn why it is a good idea to create your own materials and what kinds of materials you can create
Unit 10: Establishing and Growing an Online Presence	<ul style="list-style-type: none"> • Using social media • Using ESL websites • Building your own website

Eligibility

There are no prior qualifications or experience required. Fluency in English, determination and willingness to learn are all you need.

Course duration

There are no set start dates for this course and you can work through the modules at your own pace. There are approximately 40 hours of work in the course and most people complete the course in 2 to 4 weeks.

Assessment

The assessment consists of the following:

- 1 auto-marked test at the end of each unit with an unlimited number of attempts allowed.
- 1 tutor-marked assignment at the end of the CELTO course assessing candidates' understanding of key concepts from various parts of the course. Candidates may have a maximum of three attempts.

Sample certificate

On successful completion of the course you will receive an INTESOL certificate accredited by ALAP (Awarding Language Acquisition for Professionals), an independent, international accreditation organisation. ALAP maintains rigorous rules of accreditation that online language schools must adhere to and be externally moderated for on an ongoing basis. A sample certificate is shown below:
